Correction to: ovarian stem cells are always accompanied by very small embryonic-like stem cells in adult mammalian ovary

Deepa Bhartiya*

https://doi.org/10.1186/s13048-015-0200-0

Following publication of the original article [1], please note that Figs. 1A and C are composites prepared by putting together various fields as these cells are spread far apart on the slides.
